THE EL-PE 1932

TWELFTH VOLUME

Published by the Senior Class

LaPorte High School

LA PORTE - - INDIANA

Dedication

TO the generous benefactors who have made possible the continuance of the El-Pe, we, the Class of 1932, dedicate this twelfth volume, as an expression of our deep appreciation and sincere gratitude.

Foreword

THIS year, for the second time in the history of the modern Olympic games, these contests are being held in the United States.

As in the ancient Olympic games competing Greeks strove to excel in feats of strength and skill, that they might honor the great Zeus, so have we, in our school life, endeavored to leave a record of worthy accomplishments.

It is with the hope that this book shall be a means of recalling those achievements, that we present to our fellow students and friends this twelfth volume of the EL-PE.

The Senior Class

The ancient Greeks in the Olympic games did not plan to surpass former records by a wide margin, but planned to be able to equal those records and surpass them by a little; so our class does not claim to have won extraordinary honors in its work during the last four years, but is proud of its ability to equal what the best of former classes has done—perhaps surpassing them a little now and then.

As the Greeks relied on their leaders to set the standard which they followed, so have we followed our leaders, Bob Berger, Bob Bowman, and Wallace Hauschild, as freshmen; Eddie Young, John Littleton, and Louise Fargher, as sophomores; Elmer Bird, Bob Berger, Bill Duke, and Ray Garrison, as juniors; and Bob Berger, Elmer Bird, Joe Rumely, and Arthur Russell this year.

Our plays, "*The Youngest*", last year, and "*A Prince There Was*" this season, matched the best. The Prom, other dances, and all activities which we sponsored were of the same high standard.

In leaving, we hope that our record will inspire following classes to do as well.

The Honor Students

The scholastic honor of a school, the basis of its other attainments and activities, is upheld largely by students whose work continues to be well above the general class average. Throughout their four years in school the first five students maintained an average of at least 95, or A, entitling them to a place on the four year Honor Roll. The remainder of the students, whose grades averaged 90 or better, placed on the four year Honorable Mention. The class is proud of these students who have helped maintain the scholastic standard of the school.

This year saw several new coaches in the line-up of the Faculty staff. Mr. Bennett was coach of football and track. He also had charge of the physical education. Mr. Veller coached basketball, baseball, and taught Health, until he was given a leave of absence to go to Terre Haute on April 15. Mr. Windmiller took up "Lefty's" duties for the rest of the season. Golf came back this year and was coached by Mr. Ubele and Mr. Schulze. Tennis, another "comeback" of the several sports, was sponsored by Mr. Frantz. Wrestling was coached by an alumnus, Walter Malysiak, state champion of several seasons ago. Norman Hubner, another alumnus, helped Mr. Bennett with football.

GIRLS' ATHLETICS

Sis takes calisthenics,
  Injun clubs an' such;
Reaches f'r her toes ten times,
  N' each time makes 'em touch:
Raises up her arms an'
  Sweeps 'em all around;
Kicks her heels three times 'ithout
  Ever touchin' the ground.

Sis goes t' the gym an'
  Travels on the rings,
'N'en she takes a big, deep breath,
  'N'en she yells and sings—
Says it's good f'r weakness
  In the lungs; an' say!
Basketball is her hardest work—
  Ought to see her play!

Two practice debates were held at Plymouth on January 12. On January 15 two debates were held here with Hammond. LaPorte's negative team won while the affirmative lost.

LaPorte met South Bend Riley, South Bend Central, and Michigan City in this section of the Indiana State Debating League. The negative team won from Michigan City and lost the other two debates. The affirmative won from Riley and lost the other two.

The debates that were lost by the teams were close, and considering those that were won, the season may be considered a success.

The question discussed was, "Resolved, That the several states shall adopt a system of compulsory unemployment insurance."

At the close of the season Robert Bowes and Robert Taylor debated Robert Bayfield and Malcolm Sheridan on the question, "Resolved, That it is betetr to be a little frog in a big pond than to be a big frog in a little pond." They gave the debate before the High School and the Kiwanis Club.

LATIN

LaPorte High School has won the honor of being the only school in the state to take two gold medals in the same year at a State Latin Contest. These were given to Helen Yast and Lucille Procter, who won first places in their respective divisions.

Winners in the local contest were as follows: Division I, Paul Holmes and Rita Wirtner; Division II, Helen Yast and Howard Wainscott; Division III, Lucille Procter. These people also won the county contest here, with Westville furnishing the competition, and took the five highest places at Rochester, but only three—Paul, Helen, and Lucille—represented the school in the state contest, April 8.

DISCUSSION

In the discussion contest for this year Irving Camerer represented LaPorte High School. Irving lost in the county contest at Michigan City, March 24, to the representative of Michigan City High School. In spite of the fact that LaPorte's opponent was a veteran of two years' training in both discussion and debate, Irving, who was without previous training, made a most creditable showing, and created such interest that Miss Young, the coach, hopes to have more students enter the discussion contest next year.

MATHEMATICS

LaPorte entered the Beginning Algebra Contest this year for the first time. Margaret Ott, Joe Weidner, and Kenneth Osborn represented the school in the district contest at Valparaiso. Kenneth won fourth place, but only the first three were eligible for state competition.

4-H CLUB

The 4-H Club does no competitive work in the winter, confining its activities to the summer. Both townships and individuals compete as such, advancing through local, county, district, and state contests. Lucille Ribordy, having won in the preliminary competitions, entered the all-state dress revue test at Purdue.

COMMERCIAL CONTEST

LaPorte's best in the state commercial contest at Muncie, April 30, was a second, which was won by the beginning shorthand team, composed of Norman Kiff, who was the third highest individual in the contest, Mabel Bear, and Janis Kiff.

The contest this year was featured by a new system of competition, all members of the competing classes taking the preliminary tests instead of selecting teams for the purpose. Thus the school is graded by the standing of the entire class instead of a selected group. The median paper in each class was taken as the standing of that class, and the 25 highest schools in the state allowed to send three-man teams to represent them.

LaPorte sent five teams to the state as follows: Beginning bookkeeping, James Harris, Alma Maahs, and Harold Mellenthin; advanced typing, Mary Ellen Fitzgerald, Leona Mellenthin, and Wilhelmina Rosenau; advanced shorthand, Mamie Gorlaska, Helen Kohne, and Genevieve Serafin.

INDUSTRIAL ARTS

For the second successive year the industrial arts department won second in the contest at the annual Purdue University Round-up. Entries were made from all over the state. The local drafting department, winning first in its division, scored four-fifths of the school's points. Boys whose work won a place in the contest are as follows: George Allen, George Higgins, Joe Vinsek, Russell Aikman, Charles Bassett, Richard Burg, Ted Clark, Albert Bachmann, Tom Dobbie, Chester Duibakiewicz, William Granzow, George Grublin, Lloyd Johnson, Oscar Crose, Lorenzo Smith, and John Miller.

THE NATIONAL HONOR SOCIETY

The National Honor Society is an organization to promote scholarship, service, leadership, and character. The LaPorte chapter elects new members each spring from the graduating class, announcing its selections at Commencement. Those elected from the class of '32 will be announced at the Commencement, June 9.

Those from the class of '31 who were elected are as follows: LaDonna Abele, Lucille Andreano, Virginia Brown, Marian Bull, Lydia Burger, Sella Cook, Carl Demzien, Katherine Duker, Enid Eddy, Haskell Francis, Marguerite Gross, Douglas Klevorn, Sherry Kreidler, Nellie Johnson, Gertrude Mahler, Chester Malysiak, John Ray, Albert Reiter, Jeanette Slosarz, Ruth Watts, Golda Travis, Elizabeth Wilson, Ann Supanik, Alberta Schultz, and Laura Mae Lotter.
